

XXIV Congress of the International Society for the Rorschach and Projective Methods - 2024

“Tradition and new developments in the second century with the Rorschach and projective Methods”

July 9 – 12, 2024, Copenhagen, Denmark

www.rorschachcph2024.dk

Dear presidents of the International Rorschach Societies.

The organizing committee of the XXIV Congress is happy to present the final list of exciting pre-congress workshops that will be offered on July 8th 2024 in Copenhagen.

For a workshop to take place a minimum of 10 participants is required, which is why we call upon the societies to help advertise the workshops. Further information about the workshops, including detailed descriptions about the individual workshops and the presenters, is already available on the congress website rorschachcph2024.dk. Please don't hesitate to ask questions regarding the pre-congress workshops to mic181174@gmail.com

The price for a full-day workshop will be 200 Euro and for a half-day workshop 120 Euro.

We look forward to welcoming you all in wonderful Copenhagen in exactly one year!

Best regards

The Organizing committee.
